Marcia

★★★★☆ **Personal recollection**

Reviewed in the United States on August 22, 2022

**Verified Purchase**

The Door is the personal story of Vern Thibedeau, working as a correction officer over the course of 26 years. Fans of true crime may find it interesting but don't expect any particular story about any inmate. It's just a recollection of the author's memoirs, a good insight into the struggles of his life and how stressful his work is. The use of a good editor may help bring some order into the author's writing and help to give life to some of his stories.

**Verified Purchase**

Author Vern Thibedeau worked in five different Canadian prisons, including Kingston Penitentiary in Ontario, for twenty-six years. The Door: My Twenty-Six Years Working Inside Canada's Prisons is a compelling memoir that prompts further awareness of the corrections system. By telling his story in a most candid way, the book highlights the dangers associated with this profession. An interesting and thought-provoking read that will have wide appeal. Recommended.

Hassan

★★★★☆ **Stories from behind the bars!**

Reviewed in the United States on August 15, 2022

**Verified Purchase**

The Door: My Twenty-Six Years Working Inside Canada's Prisons by Vern Thibedeau is the real-life memoir of the author. The book contains many stories from his tenure working in some prisons.

The book is quite informative. The author discusses the stressful nature of the job and how this affected his later life. He highlights some scary incidents from his work and how he overcame the challenges.

Overall, a good read!

★★★★☆ **Realistic portrayal of a prison system**

Reviewed in the United States on August 20, 2022

**Verified Purchase**

This is an interesting read if you're interested in the inner workings of a prison system. Don't expect Hollywood-level stories and violence here; this is a much more down-to-Earth depiction of what it's like to work in a prison system, which is sometimes just kind of ordinary. I liked the realism; if I want over-the-top violence, I would watch a movie or a TV show. This is nothing like that, so if you're going into it, adjust your expectations.

★★★★☆ **If all you've known about prisons is what you see in movies, then this book is for you.**

Reviewed in the United States on August 22, 2022

**Verified Purchase**

The door is a memoir written about all the author's experiences working in prison. It provides a realistic and honest look at the system and what such an environment can be like. If you have never known much about prison, and all you've known is what you see in movies, then this book is for you. The author talks about working as a correction officer in a Canadian prison. This made me wonder what other countries would be like.

★★★★☆ **Candid reveal of behind-the-bars' stories!**

Reviewed in the United States on August 17, 2022

**Verified Purchase**

I must say, this is not like the regular autobiography or first-person experience type books that people write to share their stories. "The Door: My Twenty-Six Years Working Inside Canada's Prisons" by Vern Thibedeau is an honest, raw, and candid collection of dramatic stories from his fairly long experience working in Canadian prisons.

He worked inside five different Canadian prisons for 26 years and shared unimaginable stories from what he experienced to whom he met. From the biggest names in crimes to the dangers of his job, he has been quite eloquent about his job details.

If you have ever wondered how prisons work and what happens inside, this is your door way to inside secrets!
